The market will be returning Tuesday, June 6 in the Market Place Shopping Center

LAKE BARRINGTON — Village officials have announced that Lake Barrington's Market Place Shopping Center, located at the corner of Illinois Route 59 and Kelsey Road, will be the site of a Farmers' Market this summer. The market will begin operation on Tuesday, June 6, and will feature an array of produce, locally sourced meat and poultry, and a variety of fresh dairy products. The Farmers' Market will be open weekly every Tuesday through the fall, and families are encouraged to attend.

"I am pleased to announce that our community will again be able to enjoy a local Farmers' Market," said Village President Kevin Richardson. "This is a great opportunity for foodies, residents and families alike to support local businesses, and promote healthy, source-conscious eating. I also want to thank the owners of the Market Place Shopping Center for their leadership in making this event possible."
