Window Replacements - Requirements for permit

1. Submit a completed Building Permit application for the **Village of Lake Barrington**.
2. Submit a copy of **Manufacturer's Specifications** of the windows to be installed. New windows must meet the current adopted Energy Code.
3. Submit a copy of the contractor's estimate/proposal.
4. If a substantial structural change will be made to a window opening where additional framing may be needed, an architectural drawing may be required. Please contact the Village to determine if needed.
5. If required, "**Subdivision Architectural Control Approval Letter**" for the project.
6. All contractors doing work under a building permit must be licensed/registered in the Village of Lake Barrington.
7. The permit fee is \$100.
