

Free Christmas tree pick-up

Waste Management will provide "free" pick-up of live Christmas trees on the **third Wednesday of January**. Your tree must be out for disposal on that date and meet the pick-up standards as noted below. Otherwise, you will need to call Waste Management at [\(800\) 964-8988](tel:8009648988) to arrange for special pick up. An additional charge will apply.

- The tree must be free of ornaments, garland and other decorations.
- Wreaths with wire cannot be composted, dispose with regular garbage.
- Do not place your tree in a bag as the trees are composted. Trees in plastic bags will not be collected.
- Trees must be no more than 6 feet tall and should weigh less than 50 pounds. If your tree is more than 6 feet tall and/or weighs more than 50 pounds, then please cut your tree into sections that are no more than 6 feet in length and that weigh less than 50 pounds. Trees will be tagged and left on site if they are too big or bulky for the truck.
