## **Lake Barrington Village Hall Parking Lot Closed for Resurfacing**

*The Village Hall Parking Lot will be closed from Friday July 13 through July 15*

**LAKE BARRINGTON** - The Village of Lake Barrington is scheduled to resurface the Village Hall Parking Lot on Friday, July 13<sup>th</sup>. During this time the lot will be closed from 6 a.m. on Friday and will remain closed through Sunday, July 15<sup>th</sup>.

Due to the Village Hall Parking Lot resurfacing project, parking will not be available at Village Hall to allow access to the Park District facilities or Village Hall. Both the Village Hall and the Park District facilities will remain open during this time.

“We ask visitors and residents to plan for alternative parking arrangements in order to access Village Hall and Village parks while the parking lot is being resurfaced. We thank everyone for their patience throughout the completion of this project,” said **Lake Barrington Village President Kevin Richardson**.

Chadwick Contracting of Lake in the Hills will be completing the project, during which they will remove the current pavement, adjust structures, place new binder and surface on the parking lot, and stripe new parking spots.

### **About the Village of Lake Barrington**

The Village of Lake Barrington offers countryside living located approximately 40 miles northwest of downtown Chicago in the southwest corner of Lake County, Illinois. Known for its high quality of life, ample green space and low taxes, Lake Barrington blends the best of gracious residential living with convenient shopping and restaurants as well as ready access to public transportation and major highways and interstates.
