ROOFING

FOR PERMITS:

1. A permit is required for tear-off and re-roofing only. Only two layers of shingles are allowed. Roofing permits are issued over the counter if all required documents are submitted.
2. Submit a completed Building Permit Application for the **Village of Lake Barrington**.
3. Submit a copy of your **Contractor's proposal** showing the description of the project. Drawings are only required to be submitted for structural changes (i.e. New Skylight).
4. The permit fee for residential is \$100.00. For multi-family buildings, and commercial buildings the permit fee is \$200.00.
5. Submit a "**Subdivision Architectural Control Approval Letter**" if **applicable** for the project.
6. All roofing contractors that are applying for a permit must to be locally licensed in the Village. Submit application with a copy of the State of Illinois roofing license. Contractor License Application can be found on our website lakebarrington.org.
7. The Village of Lake Barrington is currently following the 2009 I.C.C. Code Series, 2008 National Electrical Code, and the current State of Illinois Plumbing Code. Please see local amendments to those Codes as adopted by the Village, and the Village Ordinance on our website at lakebarrington.org.
