Water Heaters: Requirements for Building Permit

1. Submit a completed Building Permit application for the **Village of Lake Barrington**.
2. Submit a copy of ***Manufacturer's Specifications*** of the equipment to be installed. All new equipment must comply with the current adopted Energy Code and Building Codes.
3. Submit a copy of the contractor's estimate/proposal.
4. All contractors doing work under a building permit need to be licensed with the Village of Lake Barrington.
5. The permit fee is \$100.

** Emergency installations may sometimes need to be performed outside of regular business hours. If this is the case, please visit the Village the next business day to obtain permit. Once the permit is issued, we will inspect the installation**
